

## Replace your original equipment Heil® Python grabber arm with the McNeilus Street Smart Parts and Service conversion kit.

- Extremely cost effective when compared with the OEM replacement parts
- Over 100 lbs lighter than OEM assembly
  - Less wear and tear throughout arm
- Lower Maintenance
  - Easily maintained when necessary
- Plug and Play design
  - Pull pins from lift and level link arms, attach using same pins
  - Hydraulics come with assembly to adapt to existing fittings
- New Street Smart grabber pin design
  - Castle nut with roll pin so nut cannot back off. Will not lose pre-load of bearing
  - Coarse thread of pin will not damage as easy
  - Nuts on both sides loads bearings more evenly
  - Does not require special tools such as a spanner wrench

Available with standard and extended fingers  
Standard finger assembly - MTM# 1371388  
Recommended for 30-90 gal cans  
Extended finger assembly - MTM# 1372767  
Recommended for 30-300 gal cans

**BUY ONCE. BUY RIGHT. BUY SMART**
