How to complete this sheet:
Measure and fill in dimensions of current rear pedestal. Check mark where appropriate for type of pedestal.

If you have any questions concerning this measurement sheet, please call McNeilus Parts Service at 888-686-7278.

Paver _______ OR Standard _______

NOTE: For any truck built before 2016, use the images ABOVE to determine Paver or Standard.

NOTE: For any truck built 2016 or newer, the Paver or Standard type will need to be determined by truck serial number. (Image shown to right.)
