CORE CREDIT CONSIDERATION

Note: All cores can be subject to denial of credit after evaluation by our return department if found to be of no value.

Part #	Description	Core Amount

- No credit will be issued without "original" Core Credit Return Form with core (no changing serial numbers).
- Do not dismantle unit.
- Clean and wipe down core unit.
- Cores deemed unusable by McNeilus® / ZF will not be processed for credit.

In case of core value discrepancy between customers stated value and McNeilus® / ZF evaluation findings, please check one of the boxes below. Core forms sent in with no boxes checked will default to the customers acceptance of McNeilus® / ZF findings.

- Contact customer if values do not match.
- Ship core back to customer (collect) if values do not match.
- I accept McNeilus® / ZF findings. Process core as normal.

McNeilus will provide a Con-Way Freight Bill of Lading already filled out for 3rd party billing to McNeilus. All that will be required from the customer is your company name, address, date, and to adjust the quantity and the weight for multiple box shipments. Please note that you will receive an invoice from McNeilus for the freight charges if you choose to use the Con-Way Bill of Lading provided by McNeilus. This will allow you to take advantage of our freight discounts. For further assistance please call 888-686-7278.
