Customer Name Street City

State Zip

McNeilus will provide an XPO Logistics Freight Bill of Lading already filled out for billing to McNeilus. Please complete the BOL with your company name, address, date. Adjust the quantity and weight for multiple rack and/or core shipments. This form and BOL should not be used for Warranty Returns. For further assistance, please call 888-686-7278

An XPO BOL is enclosed. **Call XPO Logistics at 1-844-742-5976** (ask for customer service) to obtain the freight terminal servicing your area. The rack will be picked up and returned to McNeilus at **no freight cost to you**. Please retain a copy of the XPO Logistics Bill of Lading for your record of return.
